FCC NTX Update - Getting ready for online Q&As

All:

Hope that you had a relaxing and enjoyable holiday break. Our judges have been hard at work during that time scoring your essays and model slideshows.

But now that we are officially in 2021, it's time to get back to business. I will shortly be sending out a message on how we will proceed with the special awards judging and the preliminary round Q&A sessions – and how we will schedule those sessions. This message will go out to only those schools/organizations that have teams listed in the Team Center.

IF YOU INTEND TO PARTICIPATE IN THE Q&A SESSIONS AND DON'T ALREADY HAVE A TEAM ENTERED ONLINE, NOTIFY ME ASAP and create the team in the Team Center.

MODEL SLIDESHOWS – are still being accepted through 15 January. Upload your .pdf files online.

PRESENTATION VIDEOS – are due 15 January. You have until 22 January to turn them in with a small late penalty. You will upload the video to a publically accessible location (like YouTube) and enter the URL of that location into the Team Center.

SPECIAL AWARDS Q&A is 23 January. Details to follow for those groups with teams participating.

REGIONAL PRELIMINARY ROUND Q&A is 30 January. Details to follow for those groups with team participating.

REGIONAL FINAL ROUND is 6 February.

Let me know if you have any questions.
