- Email me with the names of the teams participating and make sure the names are correct in the Team Center.
- The special awards signup sheet is posted in Google Docs and is open for signup through 15 Jan. (refer to email on 4 Jan).
- We will be assigning times for the Preliminary Round Q&A and will notify you of the schedule by 27 Jan. Notify us ASAP (no later than 15 Jan) of any anticipated conflicts or time constraints that would require a special/specific time slot.

HONOR STATEMENTS

Originally, we planned to have an online form for the Honor Statements. However, it won't happen for this year – instead, we are asking you to complete the old paper form (see attached). Note: HQ is not requiring an Honor Statement this year since the online version is not ready, however, we (NTX region) feel it is important to stress the value of ethics, so we are reverting to the paper form.

Please let me know if you have any questions. We're in the home stretch...
