FC Jr Update - Model Videos due and other upcoming due dates

All:

Hope you had a nice (and safe) holiday break.

Now for the final push to complete your Future City projects. The judges have been hard at work on your essays and are eagerly awaiting your Model Videos.

UPCOMING DUE DATES:

MODEL VIDEO due 15 Jan

Once your video is complete, post it on a publically available platform (such as YouTube) and enter the URL into the Junior Team Center (www.dfwfuturecity.org/team_junior.html). Late submissions will be accepted through 22 Jan with a few points deducted.

HONOR STATEMENT due 20 Jan

You can download the blank Honor Statement form from <http://www.dfwfuturecity.org/FormHonor.pdf>. Upload the completed, signed forms to the Junior Team Center. Late submissions will be accepted through 22 Jan.

EXPENSE FORM due 20 Jan

Record all of the expenses for materials used in the model and for the video (such as visual aids and props, but not including recording devices and editing software) on the Expense Form (<http://www.dfwfuturecity.org/FormExpense.pdf>). For the Junior Competition, teams are limited to a maximum of \$50 (despite what it says in the explanation on the back of the form). Upload the completed, signed forms and pdf copies of receipts to the Junior Team Center. Late submissions will be accepted through 22 Jan with a few points deducted.

With these submissions, you are through with Future City Junior for 2021. We are all very sorry to miss seeing your teams and models in person this year. But let's all stay safe and plan to come back in 2022.

We are making plans for the awards ceremony and the announcement of prizes on 6 Feb. I'll let you know details in a couple of weeks.

Thanks for all of your hard work and patience. Let me know if you have any questions.
